The Manse

A heart felt thank you to the many folk have worked extremely hard to get the manse ready. Jim and Jo and family are now installed and very grateful for the warm welcome they received. Taking into account money to be reclaimed and money pledged but not yet received, we are now approaching the target we set of £7,000 to refurbish the house. Praise the Lord for His wonderful provision and a huge thank you to all those who have given! Nearly all the £7,000 has either been spent or allocated. There is still lots to do and the manse will be an ongoing project.

The Annex

The annex has now been made separate from the main house and has a tenant who is paying rent. Please respect her privacy if you are near that end of the building (nearest the Snooty Fox).
